

2nd
PHARMA
SUMMIT AND AWARDS 2026

**NEXT-GEN PHARMA:
 BUILDING A FUTURE-
 READY VALUE CHAIN**

11th June 2026, Thursday | New Delhi

THE ASSOCIATED CHAMBERS OF
 COMMERCE AND INDUSTRY OF INDIA

Presidium Partners

Association Partners

Award Evaluation Partner

Knowledge Partner

Media Partners

Key Highlights

300+ Delegates
including policymakers,
regulators & industry leaders

High-impact policy dialogue
on reforms, innovation
& global competitiveness

Pharma Excellence Awards 2026
recognising leadership,
innovation & best practices

30+ Eminent Speakers
from Government,
Industry & Global
Organizations

Networking & Collaboration
Opportunities with
Industry Leaders and
Government Stakeholders

Exhibition Showcase
for cutting-edge
solutions & industry
capabilities

Key areas of discussion

Securing India's Biologics Future: Innovation, Access & Integrity

- ✘ Policy frameworks to promote innovation in biologics and biosimilars while ensuring affordability
- ✘ Strengthening procurement mechanisms for high-cost biologics, including public procurement platforms
- ✘ Evolving pricing and access frameworks, including NLEM considerations for biologics
- ✘ Enhancing cold chain infrastructure and last-mile distribution for biologics
- ✘ Supply chain integrity, traceability, and prevention of counterfeiting in biologics
- ✘ Expanding access to biologics in Tier II/III cities and rural markets
- ✘ Balancing intellectual property, innovation incentives, and public health priorities

Building Resilient & Future Ready Pharma Supply Chains

- ✘ Supply Chain Diversification & Localization
- ✘ Geopolitical Risk Assessment and strategies to minimize the vulnerabilities and derisking
- ✘ Digitalization & Real-Time Supply Chain Visibility
- ✘ Pricing and optimizing inventory for efficiency and continuity
- ✘ Regulatory harmonization and collaborative Ecosystems & Policy Support

Role of Digital & AI in Supply Chain, Clinical Trials & Anti-Counterfeit Protection

- ✘ Role of AI in clinical trials, detecting counterfeit drugs and monitoring market anomalies
- ✘ Blockchain-enabled track-and-trace systems for end-to-end supply chain transparency
- ✘ IoT-based solutions for real-time monitoring of drug movement and storage conditions
- ✘ Strengthening serialization and authentication mechanisms
- ✘ Integration of digital solutions with existing regulatory frameworks
- ✘ Data governance, cybersecurity, and privacy considerations
- ✘ Global best practices in anti-counterfeiting technologies
- ✘ Public-private collaboration to scale digital interventions across the value chain

ASSOCHAM
PHARMA
EXCELLENCE AWARD 2026

The awards aim to recognise and celebrate outstanding achievements across India's pharmaceutical and biologics ecosystem, with a focus on innovation, quality, and global competitiveness. They seek to honour organisations that are driving advancements in research, manufacturing, digital transformation, and supply chain excellence. The initiative also highlights contributions towards sustainability, social impact, and inclusive growth within the sector. Through this platform, ASSOCHAM aims to promote best practices and inspire industry-wide excellence aligned with India's global leadership ambitions.

Award Categories

Awards Nomination - Expression of Interest
